WIDER UNDERSTANDING - DYNAMIC SOLUTIONS

FIRM PROFILE

About us

Marios Hartsiotis & Co LLC was established in 1990 in Limassol and over a period of 30 years it has grown to one of the leading and most reputable law firms in Cyprus. The firm is managed by its founder and senior partner Mr. Marios Hartsiotis.

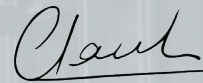

We employ a substantial number of highly skilled advocates who excel at providing our clients with services across the entire spectrum of legal practice. Our firm's partners and associates are equipped with the latest legal tech to process your request in a financially efficient manner while minimising the environmental impact of our services.

In addition to our headquarters in Limassol, we have established an extensive network of domestic and international associates, enabling us to offer valuable support and provide our clients with dynamic legal solutions, tailored to their particular circumstances.

The firm represents a prestigious clientele which includes multinational corporations, insurance companies, banking organisations, religious institutions, NGO, private businesses and individuals from all over the world. By maintaining a strong presence in the Middle East, the Balkans and Eastern Europe, we have established a truly regional reach and the capability to process cross-border requests. Our wider understanding of an ever-changing global market ensures the provision of dynamic legal solutions.

Our commitment

"Whether you are an individual, a SME or a multinational corporation you may rest assured that we are committed to delivering dynamic, effective and timely legal services as well as safeguarding your interests with utmost confidentiality."
